COVID-19 Restrictions Continue

We continue to observe restrictions to our movement and social interactions and will continue to do so for some time to come. Restrictions placed on us by state, county and city officials continue to be part of our everyday lives.

Even as businesses reopen, the state and the Southwest Utah Health Department (swuhealth.org) continues to recommend that we remain at home as much as possible. That is especially true for those over the age of 65 and those with underlying health conditions. When we are out and about, and with cases and hospitalizations on the rise in our area, health experts continue to urge us to wear face coverings and maintain social distancing.

Knowing that the virus is most virulent in those over 60 and those with underlying medical conditions (most of our congregation), we will continue to worship, study the Bible and join in fellowship remotely for some time to come. As Rev. Ralph has said each Sunday during our recorded church service, "We will resume our normal activities only when the Southwest Utah Public Health Department deems it safe to do so without restrictions."

Worship

We continue to share worship each Sunday through a recorded service that we make available on our Sermon Network site. We publish both a bulletin and lyrics for the hymns sung during the service so everyone can join in from home. To access the weekly service, visit our website, gspscg.org, and you will find a link to our Sermon Network page on the homepage where the Sunday worship schedule normally appears.

Bible Studies

While we can't meet in person due to COVID-19 restrictions, the Internet allows us to gather virtually to study the Word of God. All of our regular weekday Bible Studies will be held online using Zoom Video Conferencing. To join one of our weekday Bible Studies using Zoom, please email Rev. Ralph for an invitation. The Bible Studies are a way for all of us to continue to learn about our Lord and to share time together.

Virtual Fellowship

Since we are not worshipping at church each Sunday, we also are not gathering for Fellowship after worship – at least not in person. Like our Bible Studies, Rev. Ralph hosts a "Virtual Coffee Hour" every Sunday at 11:30 am. This fun event has been well attended since our shut down in March. Attire and choice of beverage are completely up to you. To join our Virtual Fellowship using Zoom, please email Rev. Ralph for an invitation.

Sunday School is BACK

We resumed both Adult and Children's Sunday School on September 6th via Zoom. The adult class is studying the Fall 2020 edition of *The Present Word* series. The theme for this quarter is "Loving for One Another. Please email Rev. Ralph if you would like an invitation to join the Adult class and Charlotte Phipps if you would like to join the children's class.

The most up-to-date information can be found on our website, gspscg.org.

Rev. Ralph's Food for Thought

God is our refuge and strength, A very present help in trouble. Therefore we will not fear, though the earth should change and though the mountains slip into the heart of the sea; though its waters roar and foam, though the mountains quake at its swelling pride. Selah.

There is a river whose streams make glad the city of God, The holy dwelling places of the Most High. God is in the midst of her, she will not be moved; God will help her when morning dawns. The nations made an uproar, the kingdoms tottered; He raised His voice, the earth melted. The LORD of hosts is with us; The God of Jacob is our stronghold. Selah.

Come, behold the works of the LORD, who has wrought desolations in the earth. He makes wars to cease to the end of the earth; He breaks the bow and cuts the spear in two; He burns the chariots with fire. "Cease striving and know that I am God; I will be exalted among the nations, I will be exalted in the earth." The Lord of hosts is with us; The God of Jacob is our stronghold. Selah.

Psalm 46 NASB

Without question, along with the 23rd Psalm, the 46th Psalm is right up there in notoriety. The Reformer, Dr. Martin Luther, used the 46th Psalm as the basis for his most famous hymn, *"A Mighty Fortress Is Our God."* Luther wrote that hymn during a time of national crisis and fear. In the face of uncertainty Luther pointed to this Psalm as a reminder of with whom our comfort and hope reside. The key phrase being that *"the Lord of hosts is with us"*. God is with us.

Since the early part of this year we as well have found ourselves in a time of crisis and fear. The earth has changed and how we live in it has changed as well - dramatically. It is not a difficult thing to let ourselves slip into feelings of fear and apprehension as to just what more tomorrow may bring.

Hear again those words of hope and promise, God is both our refuge and strength, we will not fear.

And to remember our Lord and Savior's words to us from the conclusion of the Gospel of Matthew, *"And Lo, I am with you always, even to end of the age."* Matthew 28:20 NASB

Perhaps there might be a few of you that hear these words and think to yourselves, "easier said than done." I would direct your attention to the tenth verse of Psalm 46, *"Cease striving and know that I am God."* Another way to translate this verse, *"Stop trying to be God and let God be God!"*

Great words for all of us living through a challenging time. However, these words can and will carry us to certain and better times, for that is where our gracious and loving God is taking us, together

*In Christ,
Rev. Ralph*

**** Home Communion ****

If you have difficulty getting to worship and would like to have the Visitation Pastor or Pastor serve you the Lord's Supper at home, please call the church office (628-9158).

**** Pastor's Note Regarding Hospital Visitation ****

Please be advised that, due to COVID-19 restrictions, I am unable to visit anyone in any of our area medical facilities. Once things return to normal, please keep in mind that with the federal laws that govern the privacy of medical records, hospitals are no longer allowed to give out any information regarding patients to visitors, including clergy. Unless a visitor requests a specific name, the hospital desk is not allowed to give out any information, including religious affiliation.

If you or a family member is hospitalized please alert the Pastor, your Deacon or the church office. Otherwise, we will not be informed of your presence in the hospital and will be unable to assist or offer pastoral care.

Prayer Corner

"And all things you ask in prayer, believing, you will receive." Matthew 21:22

When Dolores asked me to write something regarding my faith walk, I was somewhat hesitant as I typically don't like doing this sort of thing and I'm not so good at it. But, then I took it on as a self-reflection exercise. Besides, what else am I going to do - leave the safety of my COVID Cave and go outside? I don't think so.

I have been a Christian since my infant baptism, except for the times I haven't. I went to Sunday school, twice-weekly confirmation classes for three very long years and all the rest of the stuff. However, I have also had several periods in my life, some lasting years, where I put our Lord away, out of sight.

In hindsight, I don't know why I did this. Most likely, it was a combination of foolishness, not feeling right about myself and a feeling that I was in charge of my life. Hopefully, I am over that. But, if I have learned anything, it is that our Lord is always there to welcome me back. In some ways I feel like I have lived at times as both brothers in the parable of the prodigal sons.

If I had to define one moment that transformed my Christian life it was a Sunday in church, and the focus of the sermon was that we are saved by grace - we cannot earn salvation. I was in my 30's and somehow I had missed that foundational concept of our faith for over three decades. Did I mention three long years of confirmation classes? I don't know if that qualifies as a "born again" moment. But, it released decades of guilt and grew my faith immensely. This indeed is the greatest news of all for all of us.

Cluster of Prayer and Praise continues via Zoom

New Executive Presbyter for Utah

At the October 12th meeting of Presbytery the commissioners approved the appointment of Rev. Mirjam Haas-Melchoir as the new Executive Presbyter of the Presbytery of Utah. She will replace Rev. Jeff Silliman, who has retired. Let's meet our new Executive Presbyter.

Howdy y'all! I am delighted to introduce myself to the Utah Presbytery.

My name is Mirjam Haas-Melchior. Born and raised in Germany I was ordained in 2008 – shortly before my husband Daniel Haas and I, together with our four month old daughter, moved to Provo. There my husband served the Provo Community United Church of Christ for 6 years until he received a call to Rosenberg, Texas. In those six years I became acquainted with the Presbyterian Church. Springville Community Presbyterian Church took me in as their Youth leader. There I learned to minister in American churches until I received my own call here in Texas and I became a full member of the PC(USA).

Very early in my teenage years I learned that God's world is so much bigger than just my home town. And my heart for the oikumene, the world-wide church, grew. During my high school years, I went to school in France. After my high school graduation I became a mission co-worker to the Philippines. There I met people from all over the world, and amongst other things I met people from the Young Adult Volunteer Program of the PC(USA).

After ordination God again called us and we followed, and we are now here in the United States for over 12 years. We grew our family and are now five German-Americans with a dog, cat, two guinea pigs and two mice. I kept my German accent and added a bit of the Texan accent to it. I am a big Trekkie fan and nobody can convince me that there is a better captain than Captain Janeway. The same for my love for James Bond movies: "Skyfall" is just the best!

Now I am excited to give back to the Utah Presbyterian Church by serving its congregations, pastors and members to be a strong presence in Utah.

Buildings

Vicky and I have been away most of the month traveling to see family, so I have not been around to do much, church-building wise.

Plans continue to be developed on how we can reopen in the safest possible manner. But, the latest reports in Washington County show conditions getting worse, not better, so we will continue to plan.

I have had contact with all of our outside user groups regarding their possible plans. But, at this time we really don't have anyone using the buildings. I think most of us keep looking for possible solutions to be able to meet again in person. But, these efforts have been very frustrating as the enemy is invisible and potentially deadly.

Some of us are taking online classes regarding the risks associated with in-person worship and our plan continues to be reexamined as new information regarding the virus becomes available.

Hopefully, soon. I miss you all.

*Blessings,
Eric Westland*

Christian Education

November begins some new opportunities. A study of the Beatitudes will begin on Monday, November 2nd, and continue on Monday evenings at 6:00 pm through December 7th. Rev. Ralph is leading the exploration and discussion of the famous eight blessings by Jesus in the Sermon on the Mount. It is not too late to join so contact Rev. Ralph for a Zoom invitation.

Adult Sunday School continues to explore the central theme of "Love for One Another." In the concluding month of the study, we focus on "Godly Love Among Believers" in several New Testament passages. The Gospel of John elaborates on how believers love by serving and portrays Jesus' explanation of the intertwining love of God for Jesus and for those who abide in Christ. First John clarifies the abiding love of God through the Holy Spirit, which makes it possible for us to love one another. Acts reveals the expression of the love of God in the formation of the early Christian community by the workings of the Holy Spirit. James tells of the love of neighbor as the fulfillment of the law of God.

In December, the Winter Quarter begins with an examination of God's call in stories from the New Testament. The greatest call came to Jesus while other calls led to the extension of Christian ministry into the known world. The first section begins with Jesus' heritage and looks more deeply into the story of Jesus' birth, including the witness of the Magi to Jesus' call as the Messiah, and John the Baptist's call as well.

Special Sundays in November include Caregiver Sunday on the 7th, Hunger and Homelessness Sunday on the 14th, and in the runup to Thanksgiving, Sunday the 21st focuses on the Matthew 25 call to eradicate systemic poverty.

Church Growth

The other day I received a card in the mail from a beloved friend from church. I eagerly opened the card feeling my spirits soar. It was like getting a hug from that very special person. I've been the fortunate recipient of numerous cards in the past several months. Each has evoked that same feeling of love.

Sending a card is so easy! It's not necessary to write volumes. Just a line or two expressing a cherished memory or recent thought. By sending a card, you're saying, "I care about you, You're on my mind." Don't have or can't mail a card? A phone call is equally welcome. Contact with a friend or acquaintance will make both of you feel better. Try it.

Deacons

As I am writing the Deacons' article for this newsletter, my house is decorated for Halloween even though we're not sure about having any Trick or Treaters. This fact pretty much expresses 2020 - a trick rather than a treat year.

Thankfully, as our Deacons have been contacting you, most of our members are doing okay and staying positive as we continue to follow the health directives.

Deacons, continued

Remember we are here to treat you and definitely not to trick you. Please call your Parish Deacon with any special needs or questions.

John and Peggy Graber are our contacts for the Deacon Shed which is full of items you may need. We have everything from walkers to crutches to wheelchairs to raised toilet seats. If you need anything from the shed, please give John a call at 801-541-7444, and he'll work with you to get you what you need.

You are cared about and prayed for even though we can't meet together.

*In Christian love and fellowship,
Your Deacons*

Fellowship

Conklin Hall, the Kitchen and Pantry are all clean and ready for our restart, whenever that may be. It gives me a strange feeling to stop in to check on things while knowing that the date is still a mystery. I look forward to the Sunday when we can once again enjoy fellowship in person.

Please consider joining in on our virtual fellowship via Zoom every Sunday at 11:30 am! No need to stay for the hour – just sign in to let us know how you are doing. Contact Rev. Ralph for the access information.

*With love through Jesus Christ,
Gloria McGilloway*

Mission/Outreach

Mark your calendars. We will pack at least 60 shoe boxes for Operation Christmas Child on November 6th. If you would like to help Carolynn Thomas, Donna Beasley, Liz Larsen, Marge Linn and me pack the boxes, join us in Conklin Hall at 10:00 am, and we'll make short work of it. Everyone is welcome to help - the more the merrier. Of course if you would prefer to pack your own boxes, we have plenty of boxes for you to fill. If you would like to have some, please let Carolynn or me know and we'll make arrangements to get them to you. If you already have filled your shoeboxes, please bring them to church by November 20th. If no one is at the church when you arrive you may leave filled shoeboxes in the plastic tub at the entrance to the CE Building.

Since we couldn't visit them in person this summer, we will be sending some money to Pastor Sergei to assist them in providing Christmas gifts for the orphans this year.

We continue to thank all of you for your support of our Mission program.

*Peace and Blessings
Chris Schleiter*

Parish Health Ministry

It seems impossible that it's time once again to think about the upcoming seasonal holidays of Thanksgiving and Christmas. This year, the temptation to set aside the precautionary lifestyles we have adopted to accommodate living with COVID-19 will be very great. Because of the possible confluence of both the COVID-19 and Influenza viruses, it will be more crucial than ever that we not let our guards down and continue to keep ourselves and others safe - mask, sanitize, and distance. The sad reality is that this year, holiday traditions, which usually involve gathering of multigenerational groups of family for long periods of time, may not be able to take place. However, if it is still your intent and that of your family to be together, there are ways to more safely provide for this to occur. It is suggested that you consider quarantining for two weeks beforehand as well as two weeks following any high-risk behavior. You might also want to ask your medical provider about being able to be tested for the virus just prior to contact with others during your travel and celebration.

It was recommended that you get your Flu Vaccine by the end of October. But, if you have not yet received it, it is never too late and most important, please protect yourself and others in this way. Influenza and COVID-19 can present many of the same symptoms, but may vary in timeline or severity. With either, there may be fever, cough, fatigue, sore throat, runny nose, body aches, nausea and vomiting and diarrhea. Loss or alteration of taste and smell is a significant symptom in the case of COVID-19. Regardless, it is best to seek medical advice early so that testing

Parish Health Ministry, continued

may take place. In the event of a diagnosis of Influenza, anti-viral medications can be initiated within 48 hours of the onset of symptoms.

Fewer people are dying because protocols for medical care have been established. Studies have demonstrated that the course of the disease may be shortened by administering Dexamethasone and Remdesivir to anyone hospitalized with the virus and not just to the most critically ill. There have been improvements in both the types of testing available and the speed with which the results are known.

Our church doors remain shuttered to worship and gathering as we have known it, and the date for re-opening is far in the future. While we have tried to make the best of our situation, it goes without saying that these past few months have created hardships for many. In the best of times, the holiday season can present emotional challenges. But, when compounded with the uncertainty of living through a pandemic, the effects can be magnified. If you find that you are feeling overwhelmed by thoughts of getting through the days ahead, there is help to be found from professionals and also from your fellow Good Shepherd Stephen Ministry members, who are trained to offer spiritual, emotional and CONFIDENTIAL care. For assistance, please call Rev. Ralph at (435) 705-1867.

From your Parish Health Ministry Committee — Thanksgiving Blessings

Prayer Chain

The Strand of Pearls folks are actively praying for prayer requests as they come in. Updates and thanksgivings are appreciated and will be passed on. Please call, email or text your requests to Rev. Dolores, 630-890-8343 or revdfw@icloud.com, and indicate whether you wish the request to remain confidential. Otherwise, it will be named in the GSPS prayer list.

Rev. Dolores Wiens

Senior Ministries

I received a special story from one of us who was asked to share their story. We are asking for funny events or interesting tales or spiritual experiences in your life. All of us have these stories, and we all like to hear them from our friends. It is a way to get to know someone when we aren't meeting for fellowship.

Here is their story. When this friend of ours in the congregation was three or so, she was very afraid of the bear in her closet. She couldn't sleep, kept everyone awake with her fears, and made life miserable for the family at night until her brother came up with the solution. Every night, he went into the closet in her room, thrashed around with this menacing, snarling noise and tackled the bear. Then he triumphantly dragged the bear outside and scared him away. This went on until second grade. We all know this hero of a brother and his little sis. Darlene Baxter and the Bear Slayer, Craig Wylie.

My tenure as chairman of the Senior Ministries committee has come to an end. I have three members who wish to remain on the committee, but do not want to be the Elder for Senior Ministries. Consider that we likely will not be meeting as previously with Soup and Fellowship or game afternoons for some time yet to come. The remaining task, if so, is the newsletter article and Session meetings on Zoom once a month. Please consider volunteering for this program. It is a rewarding and worthy ministry.

Be safe and God bless you richly.

Session News

Session held their monthly meeting on October 4, 2020. No actions were taken at the meeting. However, Session discussed reopening of Worship and other Church activities with agreement to proceed with caution and consideration of the recommendations of the State of Utah, Presbytery, and Local Health Departments. Due to the increased number of cases of COVID-19 in Southwest Utah, Session agreed to continue with the current virtual Worship Services, Zoom Bible Studies and Zoom Fellowship Hour and Zoom Christian Education Classes for both adults and children.

Next meeting of the Session will be Sunday, November 8, 2020 at 12:15 pm via Zoom.

Soup Kitchen

Our Church "crew" participates in the Soup Kitchen the first Monday of each month. This month our church donations included 20 pounds of food and supplies plus a \$150 donation. During the month of October volunteers included Eliza Elwood, Josie Kellejan, LaVerna Metzger, Nancy Higgins, Brian Lusby and Patti Lusby. Cooking in the Switchpoint kitchen we served over 60 hungry folks which is always just as much a blessing to the volunteers as it is to those who enjoy their lunch. A menu of Sloppy Joe's, green salad, baked beans, fruit salad and dessert was served. Those who are hungry in St George continue to come to the Soup Kitchen for our "to go" meals. Questions about the Soup Kitchen experience? ContactCarolynn Thomas 435-817-8288.

Stewardship

I hope everyone is enjoying this beautiful weather, staying safe, and staying healthy! As we near the holidays (!) we are all still adjusting to the new normal and finding new ways to stay connected safely. The Church continues to do fairly well financially considering our current circumstances. Although, loose offerings are down about 55% from what is budgeted. Please remember that you can continue to send in pledges and loose offerings through the Good Shepherd Presbyterian Church website or mail donations to the Financial Secretary, P.O. Box 1499, St. George UT 84771. Thank you for your continued generosity.

The Treasurer's report for June appears on page 2, and our Building Fund report is on page 11.

By now all of you should have received your annual Pledge Campaign letter. This year's campaign will be a challenge since we will not be worshiping together, likely through the end of the campaign. Your Stewardship Committee has worked hard to pare down the 2021 budget. But, frankly, there are not many areas that can absorb large cuts. Discretionary spending makes up only about 5% of our annual budget; and while we can try to reduce our fixed costs, there is only so much we can do. We believe that you want us to continue paying our employees, keep the lights on and to maintain our buildings so we don't incur major expenses down the road.

While our need for pledges for 2021 totals \$144,862, through October 25th, we have received pledges totaling only \$15,600 which is barely enough to pay our utility bills for 2021. Frankly, we need you to make your pledges as soon as possible so we have some idea of how much income we can expect and can plan for any shortages.

To make your pledge you can fill out the pledge form you received with the mailing and mail it to Financial Secretary, PO Box 1499, St. George UT 84771-1499. If we resume live worship, you can also bring your pledge form to church and drop it in the collection plate. Finally, you can make a pledge online at our Website (gspcsq.org). Select Stewardship from the main menu, then Pledge Support and click on "Make a General Fund Pledge" on the right side of the Pledge Support page.

Psalm 9:9-10 *"The Lord is a refuge for the oppressed, a stronghold in times of trouble."*

Worship & Music

The expression "Are we there yet?" comes to mind as we look forward to being together for in-person worship services. But, with the rise in COVID-19 cases, when that will actually happen is still an unknown! Our county, and most of Utah, is at a very high level of transmission which means we will not be able to meet because of the limit on the number of persons who can be together at any one time and place. A letter along with guideline instructions will be sent to you when the Southwest Utah Health department states it is safe to meet again.

As Rev. Ralph said at each recorded worship service, our church building is closed. But, the church is open! Please continue to listen each Sunday to the worship service on the church's website. If you are interested, you can join Rev. Ralph's Bible studies through Zoom as well as joining with others for Fellowship on Sunday mornings at 11:30 am. If you wish to join any of our Zoom events, please let Rev. Ralph know so he can send you an invitation.

Building Fund Update

When we took out our mortgage, we estimated that we needed \$384,000 in order to pay off the mortgage and have the resources to meet our needs for maintaining and improving our facilities. Now that our mortgage has been retired, we can turn our attention to several major maintenance items and improvements that need to be addressed over the next several years. These projects, totaling more than \$145,000, need to be funded. We still need your help.

Through October 25th we have received pledges towards our third campaign totaling **\$56,100** and additional cash donations of **\$36,685** giving us a total for all three campaigns of **\$287,848** or about **75.0%** of our **\$384,000** goal.

Thanks to everyone who has made a pledge to the third campaign. If you haven't pledged, please prayerfully consider making a pledge to help us ensure that our facilities remain in top notch condition and to allow us to make some needed improvements.
